---

Add here a biographical sketch or a personal presentation of half a page. State your main achievements and contributions to the profession \*

I built puppets for performance and for children. My original stage production of "Fanny Lou Fritter's Got the Blues" involved a cast of four dancers, seven costume puppets, and a live band with singer, narrator and two writers. It combined classic blues tunes to tell the life story of Fanny and her struggles from childhood to old age.
